Note from the Principal

Family Members,

As we continue in the spring semester, please know there are many exciting events going on at Sulphur Springs School. Please continue to monitor the school website, teacher newsletters, BAND App, and email for important announcements.

We are very proud to announce Ms. Gracie Good and Mrs. Jessica Dunn as Co-Head Softball Coaches for this season. We also would like to announce Ms. Rebecca Schweiker as the Head Track Coach.

We are very proud of the work Mrs Yarber is doing with transforming our school media center. We look forward to showcasing the new MindCave in August 2023. We also would like to congratulate Mrs. Sarah Asbury for receiving a \$3,000.00 grant from Barnes and Noble to purchase CTE/STEM Literacy materials.

March is National Reading Month. We challenge all parents to celebrate literacy with their children. Research shows that reading with your child every day improves brain connectivity, increases vocabulary, reduces stress, raises self-esteem, strengthens relationships, boosts school performance, reduces depression, and builds empathy with others.

We are always available to meet or speak with parents at any time. Please feel free to contact us with any questions or concerns.

Together we will all continue to lead this wonderful school!

Dr. David Little, Principal

PowerSchool is a valuable resource for monitoring your student's grades, attendance, and assignments. The program is accessed online through a Chromebook, desktop computer, or apps for iPhone and Android. Please call the office or email brownm@wcde.org for more information.

TN School Zone Law –
No talking/texting on a handheld device while driving through a school zone while the warning lights are flashing.

Nurse Dunn's Corner

Remember the importance of hand hygiene as Flu season approaches. Flu shots will be available to students. Please see the fliers posted on social media to register.

Band School Alerts

Download the Band app on your smartphone to keep up to date with school activities, events, and special notifications.
