# Water and Snack

Water fountains will still be closed this year. Please make sure to send your child to school with a water bottle. First grade does not have a designated snack time; however if you wish to pack your child a small snack he or she may eat it at the very end of the day.

# Transportation

If you need to make a transportation change for your child you must email me, send a BAND message, or call the front office. Please try to do this prior to 3:00 if at all possible.
