

Daniel Boone High School Dual Enrollment 2023-2024

Shelby McKenzie

Director, High School Programs
Northeast State Community College

What is a dual enrollment course?

A dual enrollment course allows a student to earn high school credit AND college credit simultaneously!

Our program is unique because we send Northeast State instructors to Daniel Boone High School to teach college-level courses.

In most cases, these courses are transferable to other colleges and universities. This means that your student is making progress on their college degree while they are still in high school!

Which dual enrollment courses are offered at Daniel Boone High School in Fall 2023?

- ▶ **Composition I @ Northeast State Gray (Fall Semester-SENIORS ONLY)**-Mondays & Wednesdays 1st block/Tuesdays & Thursdays 1st block/Mondays & Wednesdays 2nd block—ALL SEMESTER

Career and Technical Education Dual Enrollment Course Information

- ▶ The options on the following slides will lead to a credential and do not require a minimum ACT or GPA to enroll.
- ▶ Students can also take classes in many of our programs within the Technologies division including Networking, Computer-Aided Drafting, and Entertainment Technology.
- ▶ Because these courses are taught at the Blountville campus, please discuss these options with your school counselor so that we can work together to create a schedule that works with your required high school classes, too!

Career Academies: 2023-2024

- ▶ HVAC Career Academy
 - ▶ Tuesdays/Wednesdays/Thursdays - 8:00 AM - 10:45 AM on the Blountville Campus.
- ▶ Entrepreneurship Career Academy
 - ▶ 6 fully online courses (3 in Fall 2023 and 3 in Spring 2024)
- ▶ Auto Body Service Career Academy
 - ▶ Finalizing times now, but will be in downtown Kingsport
- ▶ Welding Career Academy
 - ▶ Finalizing times now, but will be in downtown Kingsport
- ▶ Machine Tool Career Academy
 - ▶ Finalizing times now, but Year 1 will be in downtown Kingsport and Year 2 will be on the Blountville Campus.

Aviation Technology Jump Start

- ▶ Students will have the opportunity to complete one semester (4 courses) of the A.A.S. Aviation Maintenance Technology program prior to high school graduation.
- ▶ These courses will be taught on the Northeast State Blountville campus 5 days each week in the fall and spring semesters from 1:30 PM - 4:30 PM

Is there financial aid available for dual enrollment students?

Dual enrollment students who have **NEVER** taken dual enrollment courses before are eligible to receive grant funding to cover the cost of **5 dual enrollment courses** if they are TN residents!

Regardless of available grant funds, dual enrollment students are **ALWAYS** responsible for purchasing textbooks for their dual enrollment courses.

Students are eligible to receive \$100 per credit hour to put towards the cost of courses 6-10 if they maintain a 2.0 college G.P.A.

If your student has an out of pocket tuition cost, we can accept teacher and other state employee discounts for these classes. Students enrolled in CTE courses for courses 6-10 are eligible to utilize the Washington County Career Readiness Scholarship to assist with tuition gap fees.

What if my student enrolled in dual enrollment courses in 2023-2024?

- ▶ If your student enrolled in dual enrollment courses during 2022-2023 and has already received funding to cover the cost of 5 dual enrollment courses, please contact Shelby McKenzie at 423.354.5186 or swmckenzie@northeaststate.edu to discuss what your cost will be for 2023-2024!

How do students sign up and enroll?

- ▶ Please tell your counselor that you would like to take dual enrollment courses next year when you meet with them to determine your 2023-2024 academic schedule!!!!
- ▶ If you are interested in any of the CTE opportunities, let me know ASAP.
- ▶ You will then be given information about our mandatory orientation sessions that will be held at Daniel Boone HS May 8, 10, 11, and 12.
