

Dear Families,

We're excited to announce that our school community will be participating in the At Home Field Day event on **Tuesday, May 19th!**

Field Day is an important tradition at our school. It is a significant day for our students and our staff. We feel that in these incredibly challenging times this event is a unique way that we can stay connected as a community and support one another in a fun and meaningful way.

All At Home Field Day events are designed to be done indoors or outdoors using common household items. You won't be asked to purchase any specialized equipment or supplies, and you may complete as many events as you'd like to.

**Here's How it Works:**

- Over the next two weeks, event cards will be posted on the PE webpage so that you can begin practicing. However, you may complete in as many events as you'd like to even if you do not get a chance to practice.
- On May 19, our entire school will participate in events, complete an official score card, and share photos or videos to Coach Fox at [foxj2@wcde.org](mailto:foxj2@wcde.org).

We appreciate your cooperation and are hopeful that your entire family will use it as a fun and meaningful way to be physically active together with our entire school community.

Stay well,

Coach Fox and Coach Qualls
