TEACHERS OF THE YEAR

Congratulations to Fall Branch School's 2018 Teacher of the Year representatives! Ms. Hannah Clark who is representing our K through 4th grade teachers. Ms. Cathy Ketron is representing our 5th through 8th grade teachers.

SCIENCE FAIR & STEM NIGHT

Join us on Thursday, February 28th at 6 PM for our Science Fair and STEM Night. Students and families will visit classrooms around the building to visit with local science experts and industry representatives. There will also be an opportunity to view 5th and 7th grade science fair projects as well as participate in a few STEM (Science, Technology, Engineering, Math) Activities.

CANDY GRAM & CARNATION SALE

Starting on February 4th and running through February 11th, we will have a Candy Gram & Carnation Sale. This fundraiser is a special way for students and parents to send messages of love and friendship before Valentines Day. This fundraiser is being used by the school to help purchase water bottle refill stations for water fountains in the elementary and middle school hallways. These stations will support good hydration habits, have filters for added water purification, and also encourage students to reduce plastic bottle use. More info TBA.

NEWS FROM THE NURSE

If your child is sick during the night, please keep him/her at home the next day. If your child sees a doctor, bring in a doctor's excuse when your child returns to school. Remember that your child should be fever-free and/or no diarrhea or vomiting for 24 hours before returning to school. NO medication (to include cough drops) can be brought to school by a child. Tennessee has a mandatory immunization law for all students entering into seventh grade. Students must have the Tdap, HepA, and a second dose of varicella, as well as, proof of these immunizations on the Tennessee Immunization Certificate.

SCHOOLWAY

Fall Branch School has a messaging app service. To receive messages about safety, general announcements, and special events, please download the SchoolWay app onto your phone and enter the code hpld4. Call the school office at 348-1200 with any questions.
