**PARENT/GUARDIAN AGREEMENTS:**

- Understand that participation in the beginning of the year orientation via Google Meet will be required for both student and parent.
- Understand that my child's grades will reflect the student's progress toward mastery on state standards. Passing and failing is determined not just by completion of work, but the student's understanding of state standards in each course.
- Understand that your child can re-enter the on-site classroom at the end of the nine weeks period if a face-to-face seat is available; otherwise, the student would enter the face-to-face classroom at

the semester change. (Some teachers are being moved from face-to-face instruction to virtual; therefore, face-to-face class size may be at a maximum until the semester changes.)

- Understand that students cannot participate in extracurricular activities or athletics that would require face-to-face interaction with other students and/or faculty and staff.
- Must follow all the expectations and responsibilities from the ChromeBook Check-Out Contract.
