INCLEMENT WEATHER

It's that time of year when the weather can cause changes to the school's schedule. Please review with your child what s/he needs to do if school dismisses early. You can sign up for text alerts at www.wcde.org.

APPROPRIATE DRESS

With temperatures getting colder, please make certain your child is dressed for the weather. We have regular safety drills which require children to evacuate the building. If a real emergency were to occur, your child could be outside of the building for an extended period of time. Shorts and/or short sleeves will not protect your child from the outside weather conditions.

CAR RIDERS

For the safety of our students, remember the following safety guidelines:

- **Speed Limit in the school parking lot is 10 miles per hour**
- **Per State Law, cell phones are not to be used by drivers in a school zone.**
- **Please do not pass other vehicles in car rider zone**
- **Please pull all the way up to the vehicle in front of you**
- **Pay attention and avoid distractions like texting or talking on the phone**
- **Use the school's webpage if you need to request/ replace car rider tags**

MAKE ATTENDANCE A PRIORITY

Let your youngster know that it's important to be in school every day. Talk about ways s/he can stay healthy and avoid sick days, like washing hands regularly and eating a balanced diet that includes plenty of fruits and vegetables. Also, try to schedule doctor appointments and family trips when school isn't in session. If your child must be absent, send a doctor's excuse or parent note the day s/he returns to school.
