Dear Parents,

We are excited to inform you that *Washington County School Age Child Care, (SACC)* will soon offer *MyPaymentsPlus* (www.MyPaymentsPlus.com), an online service that provides you the convenience and information you need to manage your student's payments for before/after school child care services. The My Payments Plus is scheduled to begin in the Washington County SACC Program on January 8th, 2018.

At no cost, *MyPaymentsPlus* allows any family to:

- Create a free, secured account to **manage payments for your student's before and after school care services.**

To sign up, simply visit: WWW.MyPaymentsPlus.com and click on "Register a Free Account." You will need your student's local school ID number to complete registration. **If you do not know your child's local school student ID, please contact your SACC Site Director during school age child care hours at the school to obtain this information.** Once you finish registration, you may log-in to begin managing your student's account instantly! We consistently strive to find new and better ways to serve our students and our families, and I thank you for partnering with us in this effort. If you have questions regarding this online payment service for SACC, please contact me at 423-434-4924.
