JONESBOROUGH ELEMENTARY SCHOOL

A NOTE FROM THE PRINCIPAL

Families,

As we close out the third nine weeks and prepare for the end of school, we will be holding Parent / Teacher conferences on March 12 from 1-4pm. Your child's teacher will be reaching out to you to set up those conferences that are needed.

We have a lot of exciting things happening between now and the end of the year!

Throughout the month of March we will be holding an IXL math challenge. The homeroom from each grade level that has the highest average of skills mastered in IXL math by the end of the day on March 27th will earn a pizza party during lunch on March 28th.

Also, to encourage good attendance the last 9 weeks of school we are going to be offering some incentives. For students who miss less than 5 days during the last 9 weeks will get to attend an "Atten - Dance" for 3rd & 4th grade, and a movie day for K-2nd grade. For students with perfect attendance during the last 9 weeks, they will get to attend the "Atten-Dance" or movie day, and will also get to spend an afternoon enjoying inflatable's.

We are excited about the last 9 weeks of school and want to encourage everyone to be present, on-time, and stay all day each day so they can fully participate in the activities listed above along with all the fun activities your child's teacher has planned.

As always, if you need anything just let me know.
