EPIC! means to Encourage, Protect, Invest, Connect.

EPIC! is an initiative designed to bring all educational stakeholders (faculty, staff, students, family members, community) together as one. The goal is to lead to mutual respect and understanding and for children to develop a moral courage to withstand the pressure of intimidation and the threat of force.

Respect: to value the worth of people or things

Acceptance: to honor others and never abuse, insult, demean, harass, or harm them.

Responsibility: doing your part

Empathy: identify and have concern for others and have an urge to help

Caring: being helpful, kind, and giving to others

Honesty: saying and doing things in a truthful, open, and reliable way

Integrity: doing the right thing even when no one is looking

Courage: being brave enough to act as one knows he/she should. Believing in yourself, your abilities and talents

Citizenship: when people are committed to the welfare of their neighborhood, town, state, and world

We will be celebrating EPIC! Week from September 3rd through the 6th.

PowerSchool

We encourage you to sign up for PowerSchool, which gives you access to assignments, grades, attendance, and discipline. PowerSchool is how you will be able to find all of your child's grades, including midterms.

McTeacher's Night

On Tuesday, September 24 from 5:00 to 8:00 the faculty and staff of Gray Elementary will be working at McDonald's in Gray as a school-wide fundraiser. Please join us!

PTO

PTO is holding their annual membership drive through September 6th. The homeroom with the most membership money will get an ice cream party and the teacher will receive a gift card.

There will also be an auction of the two front row car-rider parking spots on September 17th.
