Principal: Mr. Brandon McKee

Assistant Principal: Mrs. Heather Easterling

Dear Parents,

Welcome back to school!!

This school year is going to be very different. Washington County is opening on a full VIRTUAL schedule. A full virtual schedule means your child will access curriculum and lessons at home. Chromebooks will be available on a needs basis for right now. You will need to contact the main office at 423-753-1190 to schedule a time to pick up a chromebook and sign the technology contract. Attached you will find a letter granting you access to PowerSchool. Here you will find your child's homeroom teacher and access to grades and attendance. Teachers will be in contact with you very soon to set up a Virtual Open House.

This school year all of our communication will be done entirely virtually through PowerSchool, Band, and the school website. . All students will have a school issued email address, and will be using Google Classroom.

Please visit our county website at [www.wcde.org](http://www.wcde.org) then select Jonesborough Middle School to direct you to all information to access Band, ParentPortal for PowerSchool, wcde text alerts, and other information regarding any other information to keep you informed throughout the school year. This will be our main source of communication. Please make sure that you sign up for the school-wide Band account AND your child's grade level band account. You may also access school supplies that will be needed for each child.

If you have any questions or concerns, please contact the main office.

Brandon McKee  
Principal  
Jonesborough Middle School
