Dear Parents,

This year has been unlike any that we have ever had to experience. We have had to adapt and change our ways of doing things within our school building. Each year, school pictures are taken, and a yearbook is available for purchase. This year will be no different. It will just be done in a different way. In order to complete a yearbook that will be memorable for your child, we are asking for your help. We need pictures!!! Throughout the school year we normally take pictures at events, club meetings and candid. Obviously, this is not the case for this year. We are asking for you to send in pictures to our yearbook department. These pictures can include, but are not limited to sporting events, at-home virtual learning experiences, and snow day fun. Any pictures would be appreciated. Please include the names of all students who are in each picture, and a brief caption for the picture. (One sentence). We ask that these pictures be school appropriate. Please email all pictures to Kristine Barrett at barrettk@wcde.org.

There are two plans for individual school pictures. These plans include a staggered schedule and full virtual schedule.

Scenario 1: Staggered Schedule
