

FOR IMMEDIATE RELEASE:

Description: Education/Community Interest Story

WASHINGTON COUNTY SCHOOLS – ABBREVIATED SCHOOL DAY FOR SOLAR ECLIPSE

Washington County Schools will have an abbreviated school day on Monday, August 21, 2017, to allow our students and their parents the unique educational opportunity to witness the total solar eclipse from their homes or Downtown Jonesborough (see below). Contact your child's school for specific dismissal times.

We encourage our students and their parents to remember eye safety when viewing the eclipse. For additional information, follow the link: <https://eclipse2017.nasa.gov/safety>
