

FOR IMMEDIATE RELEASE:

Description: Education/Community Interest Story

WASHINGTON COUNTY SCHOOLS ACT 21+ BILLBOARD PHOTO

Washington County Schools is proud to announce that we have over 600 High School students who scored a 21 or higher on the ACT exam during their high school career. To acknowledge this fantastic accomplishment, all these students will gather for a group photo to be displayed on billboards in Washington County. The photo will be taken on Tuesday, May 2nd, 9:30 AM at Jonesborough Middle School's football field.

Additionally, Washington County Schools also had 50 students score a 30 or higher on the ACT exam during their high school career. Once the 21 and higher group photo is taken, these 30+ students will have a separate picture taken for display on other billboards in Washington County. Special thanks to Foster Signs in Jonesborough for their generous donation of the billboards!

Washington County Schools encourages the press to cover this event and highlight this impressive achievement of our students. While there is not enough parking to accommodate our parents, Washington County Schools will post the photos on social media for parents and students to view, re-tweet, like, and download. Students are also encouraged to take their own pictures to celebrate their hard work! Congratulations to all these students!
