FOR IMMEDIATE RELEASE:

Due to an increase in the number of faculty and staff member absences from influenza and other flu-like symptoms, Washington County, Tennessee Schools will be closed Friday February 8, 2019.

Washington County Schools' custodial and food service staff will continue their sanitation efforts, particularly in areas otherwise occupied by students and staff during a normal school day.

Washington County Schools prioritizes student safety and supervision as our number one goal and this school closing provides us the opportunity to place our students first by ensuring our schools have adequate staff to supervise our students.
