This morning, Governor Bill Lee issued a statement urging all Tennessee school districts to close as soon as practically possible. In response to this statement, Washington County Schools will be closed from March 18 thru March 27. Spring Break will still be March 30 thru April 3. The ACT test scheduled for Tuesday March 17th at David Crockett and Daniel Boone High Schools will still be held to ensure that college applications can be completed on time. All athletics (games and practices) will be postponed until further notice. Washington County Schools will continue to monitor the situation and update the public when new information is available, and decisions are made. Thank you for your concern and dedication to the students of Washington County.

Sincerely,

Dr. William R. Flanary
